

KS5 – Year 13 – Fine Art

Term	Topic Titles	Brief Overview
1	Personal investigation AO1, AO2, AO3	Students will continue with their own personal investigation under a title of their choice, responding to artists and developing their ideas into personal and meaningful outcomes. They will progress and refine their work with feedback and guidance from their teacher. They will accompany their practical work with an extended written task (Related Study) which explores their theme and context in more detail (Practical portfolio 60% of the A level grade).
2	Personal Investigation AO4	Students will progress and refine their personal investigation with detailed feedback and guidance from their teacher. Students will create and present a personal and meaningful final piece to their personal investigation. (Practical portfolio 60% of the A level grade).
	Set task Feb - May AO1, AO2, AO3	Students will complete a final project (Set Task), choosing one of the titles set by the exam board and exploring a new set of artists and ideas. They will experiment with styles, media and techniques whilst developing and refining their ideas. Students will progress and refine their work with feedback and guidance from their teacher as they prepare for their final piece.
3	Set task project AO2, AO4	Students will realise their intentions in a personal and meaningful response for their Set Task project under exam conditions in a 15 hour supervised period. The Set Task project will account for 40% of the grade for A Level.
