

How students change their Seneca password

Students who have used their Arden email address:

Go to <https://www.arden.solihull.sch.uk/> Quick links > School email. Log in using school sign in details (including @arden.solihull.sch.uk). Then on Seneca click “Forgot your password?” and it should send an email to the account (this may take a few minutes to arrive, be patient 😊).

Students who have not joined Seneca previously:

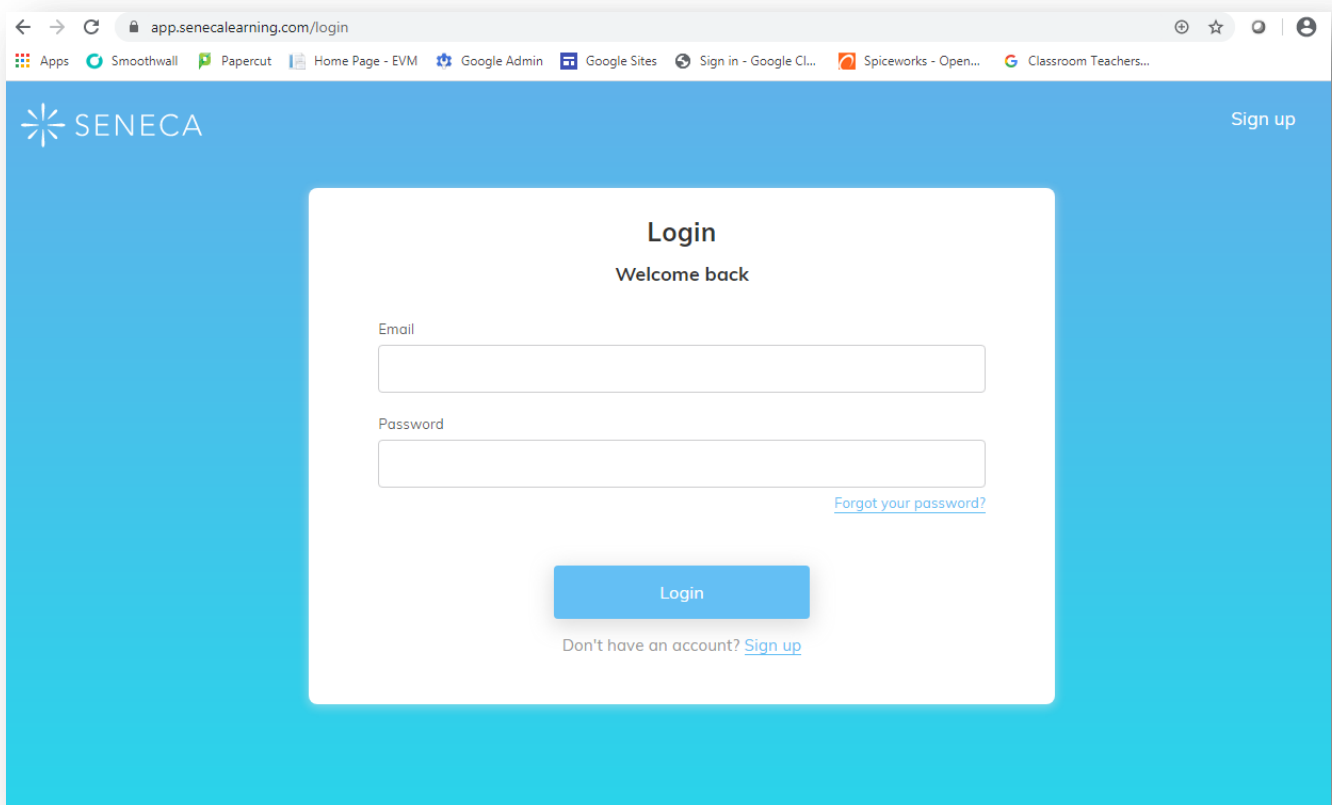

Go to <https://app.senecalearning.com/sign-up> OR on the login page click on Don't have an account? “Sign up”.

Use your login for school followed by @arden.solihull.sch.uk. Set up your account as a **Student** and can then join classes

Students who have used their personal email addresses to sign up:

Click “Forgot your password?” and it will send a reset email to your personal email address (you probably cannot access this in school)
