Dear Parents/Guardians of Year 10 Students

### **Year 10 Way Ahead Information Evening**

Our new Year 10 cohort has made an excellent start to Key Stage 4. We hope that they have told you that they are enjoying their options subjects and appreciating the sense of maturity and responsibility that comes with being in Year 10.

To help you support your child through the next two years, we would like to invite you to a 'Way Ahead' information evening. During the session Mrs Collett, Assistant Headteacher, and Miss Page, Deputy Headteacher, will cover the following important points:

- Key dates for the next two years
- Revision advice
- How you can support your child with revision and exam preparation
- Key ways in which the school supports all pupils

The information evening will take place on **Tuesday 17th October, 7-8pm**, in the **School Hall** and both parents/guardians and Year 10 students are invited to attend.

Although the external examinations in the summer of 2025 are still a way off, the feedback we have received from Year 10 parents/guardians in previous years, is that this advance information is very useful.

Yours sincerely

**Linda Page**  
Deputy Headteacher
