Dear

### **The New Arden Academy – The Centre for Community Learning**

We are delighted that the above project has the support of SMBC and is identified within the Solihull Local Plan as KN2. As we move into the local plan examination period I feel it is very important that you are aware of the huge potential of this project to enable a Solihull school to lead the way nationally, by creating a flagship for education, green technology and ecological responsibility.

The new sustainable Arden represents a once in a lifetime opportunity to greatly enhance the facilities and environment of our school and to create some fantastic new resources and facilities for people in our local area. Our vision and ambition is captured in the enclosed documents:

- **New Arden Academy – The Centre for Community Learning**
  
- **New Arden Academy – The Centre for Community Learning – Green Protocols**

Our aim is to create a development that is an exemplar for community learning - an inspiring facility that not only provides a flagship home for secondary and primary schooling but also welcomes the local and wider Solihull Community, by accommodating, community sports, education, music functions and drama events.

If you want to find out more, please do contact me via my PA Michele Bull, on 01564 732613 or [mbull@arden.solihull.sch.uk](mailto:mbull@arden.solihull.sch.uk)

Thank you for your support.

Yours sincerely

A handwritten signature in black ink, appearing to read "Martin Murphy", written over a horizontal line.

**Martin Murphy**
